Subject: Comp Request - Engineering [REDACTED] Offer

Hi Jan,

We have a candidate for the Engineering Manager position. [REDACTED] is the candidate. Her most recent job was

[REDACTED] (not including the cost of the Dir, R&D Dev impact). Steve approved the offer from both his R&D role and his CC role.

I have attached both the comp sheet and her resume and the comp sheet is pasted in below.

Please let me know if you approve the offer. If you have any questions or need further info, just let me know.

Thanks, Michelle
